

TRUE MOUNTAIN LODGING

SOCIAL GROUPS PACKAGE

Your Social Group at DEER LODGE

Thank you for your interest in Deer Lodge. We would like to take this opportunity to introduce you to our lodge.

In 1921, tourism to the Canadian Rockies was booming. A log teahouse was opened by one of the early guiding families just behind Chateau Lake Louise. It was a few minutes stroll from the lake and quickly became a popular gathering spot for visitors.

Over the years, the teahouse was renovated and restored to become Deer Lodge, an ideal location for reunions or family functions. The charming former teahouse provides all the conveniences and facilities necessary for the modern reunion. High speed wireless internet access is available.

Please find attached our Social Group Program Planner, complete with accommodation, AV equipment, group facility information and a list of summer and winter activities. It would be a pleasure to assist you in planning your upcoming gathering at Deer Lodge.

- For larger groups, please inquire about 'Renting Your Own Lodge'
- A complimentary room for the organizer when 20 rooms per night are booked.
 - Prices will vary depending on the season.
 - Black out dates are in effect.

FACILITIES

Although Deer Lodge is a part of the Canadian Rocky Mountain history and has a rustic nature, we provide all the convenience and facilities that one would expect in a world class hotel.

Deer Lodge has one of the best dining rooms in the Canadian Rockies. You can sample Rocky Mountain Cuisine, the roots of which go back to both the lavish Victorian cooking from the CPR rail cars and the hearty meals prepared by Swiss and Austrian mountain guides. The result of these diverse influences is a combination of smoked, cured or roasted wild game, fresh indigenous berries, wild fruits, vegetables, mushrooms and mixed grains.

All dishes are artfully presented and professionally served. Our wine list is extensive and features many award winning Canadian wines from central British Columbia and the Niagara Peninsula in Ontario, and includes a large selection of hard to find vintners' reserve wines.

Deer Lodge is pleased to announce that it has received The Wine Spectator Award of Excellence for 1996, 1997, 1999, 2001 and 2002.

The Mount Fairview Dining Room: Fine dining, in our own special way. See our dining section for our menu. Log post and beam construction and large picture windows create a unique atmosphere. The Mount Fairview Dining Room can hold up to 60 people for a Reunion Luncheon and or *dinner.

* Some timing restriction apply for group dinner above 20 people

The Caribou Lounge, with magnificent views of Mount Fairview, is open for breakfast, lunch and dinner. Enjoy afternoon tea, light snacks or a late night cognac in the original log teahouse. Later, relax in front of our stone fireplace, enjoy a quiet moment in our cedar sauna or gaze at the stars over Victoria Glacier from our outdoor rooftop hot tub... it will take your breath away.
