EMERALD LAKE LODGE DIRECTIONS

From Calgary

Emerald Lake Lodge and Conference Centre is located approximately 200km (125 miles) from Calgary, Alberta. To reach the Lodge from Calgary, leave via 16th Avenue heading west. This route turns into the Trans Canada Highway #1 – which you will follow directly to Field, British Columbia. 2km (1 mile) past the town of Field you will approach a turn-off clearly marked for Emerald Lake. The Lodge is located 8km (5miles) down this road.

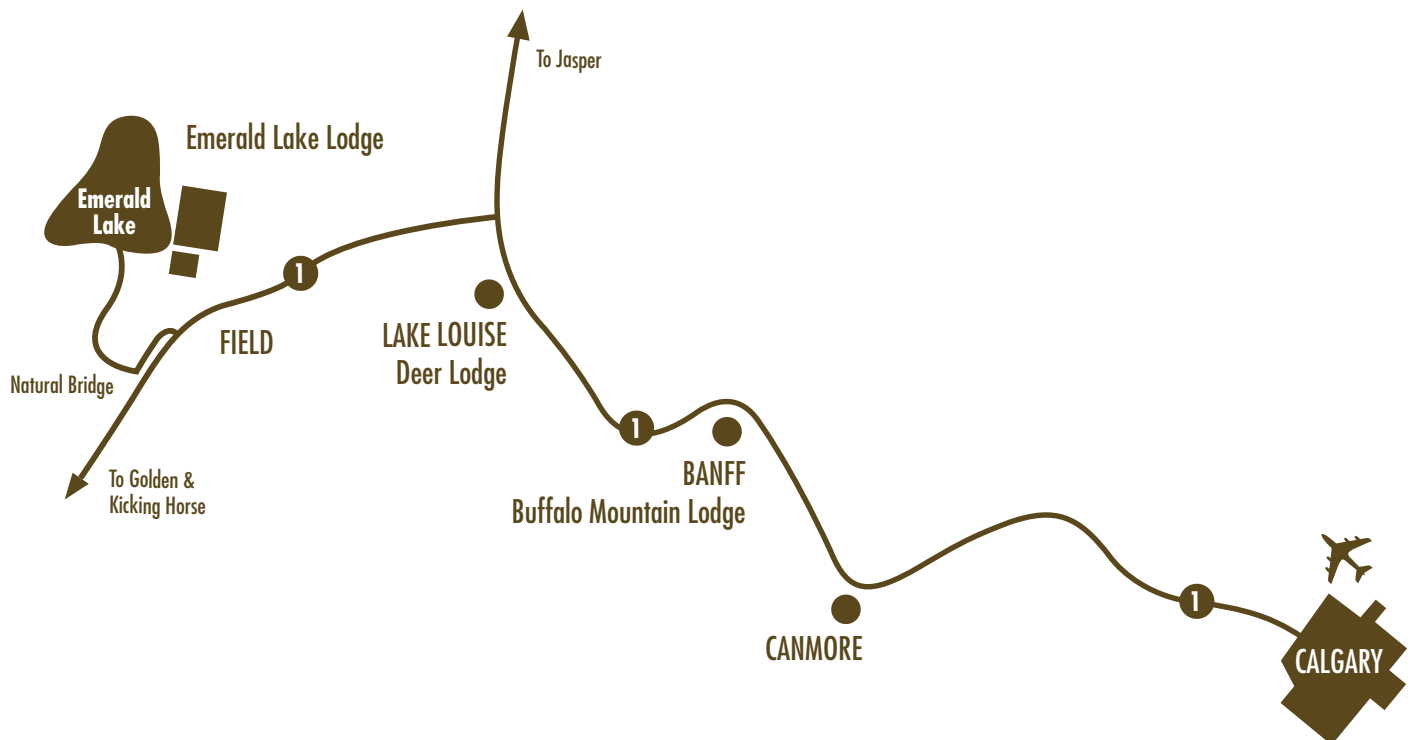

From Vancouver

If you are at the Vancouver Airport you will want to go south on Highway 99 towards Tsawwassen (Ferry Dock). Exit onto Highway 10, which will be labeled as the direction to reach Hope. After the town of Langley, Highway 10 will join with the Trans-Canada Highway #1, which will take you east to Hope. At Hope it is best to leave the Trans-Canada Highway #1 and take the Coquihalla Highway as it is shorter. The Coquihalla Highway will take you to Kamloops where you rejoin the Trans-Canada Highway #1 heading west. Follow this highway all the way past Golden and into the Yoho National Park. 55 kilometers past Golden there is a turn off to the left clearly marked Emerald Lake. If you come to the town of Field you have gone too far. The Lodge is located 8 km (5miles) down this road.

Please keep in mind that Emerald Lake Lodge is 840 kilometers from Vancouver, much of which is through mountain terrain that may necessitate slower driving.

Please park your vehicle in the overnight parking lot where the shuttle bus will meet you to take you to the main lodge.

We look forward to your visit and hope your stay will be memorable and enjoyable.
