

Qeva History

Tara Farms Inc. has been farmed by the O'Connor family for over 50 years. In 1996 the O'Connor family, led by Brad O'Connor established the Rocky Mountain Game Ranch. They now raise over 500 elk for hotel and restaurant use. In addition, they harvest over 400 lbs of Elk Velvet Antler as neuroceutical. In October of 2003, Tara Farms purchased the company Qeva- Quality Elk Velvet Antler. Qeva is a leading developer and supplier of pure elk velvet antler. Starting in Asia and Russia, people from around the world have been taking Elk Velvet Antler for more than 2 centuries. Unlike other natural products, Elk Antler is a renewable resource. Many elk produce Elk Velvet Antler for 15-20 years. The benefits of antler are numerous and well documented.
