The building will be topped off with a "pilothouse" three stories above ground level, equipped with radar and other marine equipment, and commanding a view across north Puget Sound.

### Sunshine Coast Harbors a Painted Boat

PENDOR HARBOUR – Canadian Rocky Mountain Resorts welcomes its newest member of the family with the official opening of Painted Boat Resort Spa & Marina in Pender Harbour. Situated in B.C.'s southwest Lower Mainland, this is one destination where you're sure to want to drop anchor, tucked within 5 acres of Douglas fir, red cedar and arbutus trees.

Painted Boat features 31 plush

waterfront villas, a protected deepwater marina and a wellness spa. Spectacular views aside, each two-bedroom villa houses a fully equipped kitchen and is steps from an infinity pool, an outdoor hot tub and a contemporary bistro – The Restaurant – at Painted Boat. With its focus on fresh, regional cuisine, guests can satisfy their appetite amid spacious decks overlooking watery scapes.

Visitors can pick up a paddle and plunge a kayak through a host of waterways (one can catch a glimpse of nearby Skookumchuk Narrows – with its turbulent tidal rapids). There's also an opportunity to cast a line or two or take in a bit of exploration on the area's hiking trails.

An array of artisan galleries calls the region home. Painted Boat also
