
CANADIAN ROCKY MOUNTAIN RANCH LTD.

FUND RAISER PACKAGES - ORDER FORM

We are a family owned ranch which raises buffalo (bison) and elk and markets our products to our four restaurants in Calgary, three lodges in the mountains, our CRMR at Home store and Second to None Meats in Calgary. We also market our meat products at the Millarville Farmers Market and from our sales canter on the ranch. Our animals are raised naturally, on pastures and are fed hay and forages with supplemental whole oats as necessary. They are raised naturally without hormones or antibiotics, and the meats are low in fat and high in protein and iron. It is an excellent choice for families and athletes. Our products are both nutritious and taste great. Several local schools have chosen our buffalo hot dogs to serve on hot dog days.

More information is available on our website
