Calgary Brewed Draught Beer (20oz)

IPA 9
Wild Rose IPA (India Pale Ale) is a beautiful copper coloured ale, rich in caramel malt character and well balanced with plenty of hops. An authentic IPA, this beer is handcrafted for the true ale drinker.

Brown Ale 9
Dark brown and ruby hued, this ale expresses notes of espresso and chocolate. Very approachable, Wild Rose Brown Ale is mildly hopped with a medium body and a clean finish.

Velvet Fog 9
A special blend of 50% wheat malt and 50% barley gives this unique unfiltered Canadian Wheat Ale a distinctive hazy, golden colour and a fresh tangy character.

WRaspberry 9
You will not find any preservatives in this thirst quenching ale. But additives? That's a different story, as each brew of WRaspberry Ale is infused with thousands of natural, juicy-red additives called raspberries.

WRed Wheat 9
From the distinctive red-amber hues, to aromas of biscuits and a sweetness of caramel, this Ale is not to be taken lightly. Hand crafted it strikes a fine balance between malt & hops.
